

# Jay Goldinger 2009 Interest Rate/Economic Forecast Webinar

If you were unable to attend the class or webinar in June, but don't want to miss all of the important information that Jay discussed, you can purchase a CD-ROM of the webinar. The slides and audio from the webinar are included.

You will need Adobe Acrobat Reader and a program that plays MP3s (iTunes for example).

For beginners, who want to know the basics, to the advanced, who want to know Why & When, you will learn from a pro with over 35 years experience in observing the Fed and interest rate markets around the world.

All proceeds benefit Food on Foot, a non-profit dedicated to feeding, clothing and finding job opportunities for the homeless and poor on the streets of Los Angeles.
